

**MINUTES OF THE 36th MEETING OF SERICULTURAL GERMPLASM SUPPLY /
EXCHANGE COMMITTEE OF CSGRC, HOSUR HELD ON 19th JULY'2021 AT
CSGRC, HOSUR**

The 36th meeting of the Germplasm Supply/Exchange Committee of CSGRC, Hosur was held on 16th July 2021 at CSGRC, Hosur under the chairmanship of Dr.R.K.Mishra, Director (Tech), Central Silk Board, Bengaluru. The list of the participants is appended at Annexure-I.

At the outset, Director, CSGRC, Hosur as a Member Convenor welcomed the Chairman, Germplasm Supply/Exchange Committee for accepting the invitation and participating in the meeting. He also welcomed the members of the Committee and informed that the review period for the above said meeting is of two years i.e. April'2019 to March'2020 and April'2020 to March'2021 (2019-21) and requested the Chairman of the Committee to initiate the meeting.

**ITEM NO. 1: CONSIDERATION OF INDENTS FOR SUPPLY OF MULBERRY
GERMPLASM**

Dr.M.Maheswari, Scientist-D and Head, PMCE presented the indents for supply of mulberry accessions received during 2019-2020 and 2020-2021 from various institutes. The Chairman and members of the Committee noted the indents for supply of mulberry germplasm for the period from 01.04.2019 to 31.03.2020 and 01.04.2020 to 31.03.2021, seven indents received for 2019-2020 and eight indents received for 2020-2021.

**ITEM NO. 2: PROGRESS OF MULBERRY GERMPLASM SUPPLY DURING 2019-
2021**

The status of mulberry germplasm supply during the period from 01.04.2019 to 31.03.2020 and 01.04.2020 to 31.03.2021 was reviewed by the Committee. A total of 372 mulberry accessions were supplied during 2019-2020 and 433 mulberry accessions were supplied from 2020-2021 on cost basis. The Chairman of the Committee considered the progress and suggested to collect the feedback from the concerned institutes/colleges after supply of the mulberry germplasm. Further the Chairman informed that the cuttings of mulberry accessions supplied under the research projects wherein CSGRC is involved as investigator is not necessary to indicate in germplasm supply details.

ITEM NO. 3: CONSIDERATION OF INDENTS FOR SUPPLY OF SILKWORM GERMPLASM

During the period from 01.04.2019 to 31.03.2020 and 01.04.2020 to 31.03.2021, two indents were received from 2019-2020 and six indents were received from 2020-2021. As per the indenters requirement, the dfls of the silkworm accessions were supplied.

ITEM NO. 4: PROGRESS OF SILKWORM GERMPLASM SUPPLY DURING 2019-2020 and 2020-2021

The status of silkworm germplasm supply made during 2019-2020 and 2020-2021 was reviewed by the Committee. Based on the indenters requirement, 16 dfls of 4 multivoltine silkworm accessions, 14 dfls of 3 bivoltine and 72 dfls of 18 multivoltine silkworm accessions were supplied from 2019-2020 and 2020-2021, respectively. The Chairman agreed and suggested to collect the feedback from the indenters supplied. Also the Chairman informed that the dfls of silkworm accessions supplied under the research projects of the CSGRC is not necessary to include in germplasm supply details.

ITEM NO.5: SALE PRICE COMMITTEE:

The revised sale price fixed for mulberry as well as silkworm germplasm by the local committee of CSGRC, Hosur was apprised and informed that the same was submitted to Central Office for the approval of Competent authority.

ITEM NO.6: ANY OTHER POINTS:

With regard to supply request made by M/s Sahaj Spirituality Foundation, Chennai for 1000 productive fruit yielding mulberry saplings, the Chairman informed that as per Protection of Plant Varieties and Farmers' Rights Act, 2001 (PPVTR), the fruit yielding accessions cannot be supplied directly as germplasm materials unless they are for research purposes and the norms need to be followed. Hence he suggested developing the productive fruit yielding mulberry accessions as varieties. It was also suggested to take up study in collaboration with CSR&TI, Mysuru.

ITEM NO. 7: FIXATION OF DATE OF NEXT MEETING

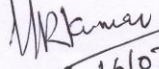

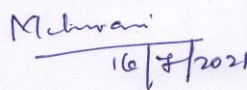

As per the schedule, the meeting has to be conducted twice a year. Hence, the next meeting may be convened during January'2022 in consultation with Director (Tech), CSB Bengaluru.

The meeting ended with thanks to the Chair.
